Greetings, it continues to be an honor to serve as your Panel 62 World Service Conference Delegate (WSC). These are the updates to share from WSO and from our Area.

**2023 Conference Summary Update:**

2024 World Service Conference Theme:

The WSC theme for 2024 is: "Our Path toward Grace, Unity, and Understanding." The WSC will begin on Thursday, April 18<sup>th</sup> and will end on Sunday, April 21<sup>st</sup>, 2024 and will be held in Virginia Beach, VA.

2023 World Conference Summaries:

Many of you *love* reading the World Service Conference summaries. They are packed with great information on every aspect of the work of WSO and Conference discussions. The 2023 Summaries continue to experience delays due to manufacturing and supply issues. When they're out, I will order enough for all AWSC members, but in the meantime, you can read some of the "highlights" as well as the 2022 Annual Report. Here's the links, I will also email these out.

***GA Area News in Brief:***

As many of you are aware, the WSO staff has been working tirelessly to develop, fine-tune and roll out numerous changes, updates, etc. to Areas regarding electronic meetings and groups. This is in addition to the ongoing work of supporting Areas and groups domestically as well as globally. With this in mind, I'm asking that you help ease the load by doing three things:

- Check in first with our Group Records Coordinator, Vicki B when you have questions regarding group changes, registration or anything related vs first calling Group Records at WSO. I believe many of us check with Vicki first, so this is just a reminder. Vicki recently sent out a letter all AWSC members offering vital information on *Registering a Permanent Electronic Group (PEG) in Georgia*. DR's, if you haven't passed this important info on to your GR's, I urge you to take a moment to pass on.
- If you have questions that fall outside of any of the Coordinator's responsibilities such as a group, district challenge/issue or you're not clear on a WSO policy, decision or can't locate information you need, please feel free to email me or call me. If you contact the WSO first, they most likely will direct you back to your Area Delegate.

I appreciate your willingness to help lighten the load for WSO by working through our links of service. In Grateful Service,

Charlyn (Char) Green Fareed
